The Botanist

Acreage Holdings Opens First The Botanist Dispensary in Massachusetts

New York City, NY – December 24, 2018 — Acreage Holdings, Inc. (“Acreage”) (CSE: ACRG.U), the United States’ largest vertically integrated, multi-state cannabis operator, in terms of states with operating licenses, announced the December 21st opening of The Botanist cannabis dispensary in Worcester, MA at 65 Pullman Street. The Botanist is the new brand for Acreage’s nationwide retail footprint of dispensaries as well as a branded line of carefully curated cannabis products that will soon be sold in them. The Botanist presents a unique experiential design, blending nature and science in an immersive retail environment that is inspired by 19th Century laboratories, greenhouses and the study of botany.

The Botanist will offer a selection of the best cannabis products, including flower, vape cartridges, edibles, concentrates and tinctures. A family of proprietary The Botanist cannabis products are currently in development and will soon debut at the store.

The Worcester Botanist is the first of three Botanist locations that are expected to open in Massachusetts, with locations in Leominster and Shrewsbury expected to open in the coming months.

Offering a sensory experience from the moment a customer enters the dispensary, The Botanist retail location immerses visitors in an environment reminiscent of visiting the greenhouse laboratory of a 19th Century botanist. The Botanist encourages curiosity and brings customers closer to the plant and its healing properties, with design elements that include a lush botanical wall, weathered wood, bell jars for showcasing product, a “seed bar” education station and much more.

In keeping with The Botanist’s commitment to education, exceptional service, and a customer experience unlike other cannabis retail stores, the dispensary will also offer a rich program of educational and entertaining events, such as cannabis 101, cooking with cannabis, CBD-infused mocktail parties, and more.

To help celebrate the opening of The Botanist in Worcester and in keeping with the store’s mission to enable access to cannabis for everyone who need or want it, all veterans who purchase product or merchandise at The Botanist will receive a 25 percent discount through the end of January.

Acreage Chief Marketing Officer Harris Damashek said: “The Botanist was designed as a way of life - a physical embodiment of curiosity, medicine, health, and nature, that centers around the power of the plant. It signifies a place with purpose, a place for discovery, and a place that our customers will love to return to. It is the antithesis of the typical cannabis retail store, which usually offers customers nothing more than a cluttered space that sells.”

The Botanist brand and retail design was created with the help of award-winning experiential retail design firm, McKinley Burkart.

Mark Burkhart of McKinley Burkart said, "The relationship between the consumer and cannabis is a journey of discovery, and The Botanist store design is meant to reflect this. It's intended as a physical manifestation of curiosity, to evoke a strange taxonomy, a world of magical realism..... a celebration of the uncanny. The design of the space reflects this universe; one in which nature has reclaimed its place."

Acreage Holdings Acquires Nature's Way Nursery of Miami, Inc.

New York City, NY – Jan 4, 2019 – Acreage Holdings, Inc. ("Acreage") (CSE: ACRG.U) announced it has closed the acquisition of Florida-based Nature's Way Nursery of Miami, Inc. ("Nature's Way"). Nature's Way was awarded a vertically integrated operating license last summer and will operate the business as Green Owl Pharms, the name under which it was awarded the operating license.

The previously disclosed transaction paves the way for Acreage to bring cannabis products to Florida residents throughout the state. As of December 28, 2018, there were more than 209,000 total cannabis patients in Florida according to the Florida Department of Health Office of Medical Marijuana Use.

"The combination of policy and demographics in Florida makes it one of the largest growth cannabis markets in the U.S. and we could not be more pleased to close this deal," said Kevin Murphy, Founder, Chairman, and Chief Executive Officer of Acreage. With the fourth largest population in the U.S., Florida is expected to quickly become the fifth largest cannabis market with an estimated \$1.1 billion in retail cannabis sales by 2022, according to Arcview Market Research.

Terms of the Transaction

Acreage paid the shareholders of Nature's Way \$67 million plus assumption of certain transaction expenses of the sellers, with \$63 million payable in cash, of which \$10 million had previously been escrowed in November at the time the parties signed the definitive transaction agreement. The remaining \$4 million in consideration will be paid in units of a subsidiary of Acreage, High Street Capital Partners, LLC. The units are exchangeable for Subordinate Voting Shares of Acreage at the election of the holder.

Nature's Way holds a vertically integrated operating license to operate a cultivation and processing facility as well as up to 30 medical cannabis dispensaries, which Acreage anticipates will carry *The Botanist* retail banner and soon-to-launch cannabis products. Acreage anticipates that it will invest significant financial capital throughout Florida to build out its cultivation and retail operations.

ABOUT ACREAGE HOLDINGS, INC.

Headquartered in New York City, Acreage is the largest vertically integrated, multi-state owner of cannabis licenses and assets in the U.S. with respect to the number of states with cannabis related licenses, according to publicly available information. Acreage owns licenses or has management services agreements in place in 19 states (including pending acquisitions) with a population of more than 172 million Americans, and an estimated 2022 total addressable market of approximately \$14 billion in legal cannabis sales, according to Arcview Market Research. NON-IFRS MEASURES

The detailed presentation referenced above and found on Acreage's website at investors.acreageholdings.com, under "Results Center," contains tables that reconcile Acreage's results of operations reported in accordance with IFRS to adjusted results that exclude the impact of certain items identified as affecting comparability (non-IFRS). We use pro forma results among other measures, to evaluate our actual operating performance and for planning and forecasting future periods. Pro forma results are IFRS reported results plus the results of all entities for which we have a management contract in place but do not consolidate due to a lack of control, adjusted to reflect the full fiscal period regardless of when an acquisition or management contract commenced. We believe the adjusted results presented provide relevant and useful information for investors because they clarify our actual operating performance, make it easier to compare our results with those of other companies and allow investors to review performance in the same way as our management. Since these measures are not calculated in accordance with IFRS, they should not be considered in isolation of, or as a substitute for, our reported results as indicators of our performance, and they may not be comparable to similarly named measures from other companies.
